EXPERIENCE

AR Associate

March 2026 – Present

Macksofy Technologies Pvt Ltd

Remote

- Managed billing and Accounts Receivable (AR) operations for Samar Health, a US-based healthcare client in Texas.

Front-end Developer Intern

June 2022 – November 2022

Sunarj Technologies

Mumbai, India

- Worked on developing and maintaining responsive web applications using HTML, CSS, JavaScript, and modern frontend technologies. Collaborated with the development team to create user-friendly interfaces and improve website performance.

Cybersecurity Intern

Feb 2025 – Apr 2025

Acmegrade

Remote

- Completed a 2-month stipend-based internship focused on network security fundamentals, including packet capture and traffic analysis using Wireshark to identify anomalies and potential threats.

PROJECTS

FORESEE – AI-Powered Malaria Diagnosis & Outbreak Forecasting Platform

[Live](#)

- Developed an AI-powered healthcare platform for malaria diagnosis and outbreak forecasting using Machine Learning and Deep Learning techniques.

JobVerify – AI-Powered Job Scam Detection Platform

[Live](#)

- Built an intelligent platform that verifies job postings to protect job seekers from scams and fraudulent listings using AI-driven analysis.

Pawfund – Decentralized Animal Rescue System

- Built an Ethereum-based dApp for animal rescue with smart contracts, wallet authentication, IPFS storage, and real-time donation tracking for transparency and trust.

Creative Content with AI Prompts

[Live](#)

- Used Claude AI for prompt engineering, content structuring, and technical documentation generation for storylines, scripts, and visuals, producing engaging multimedia content optimised for YouTube and social media.

CERTIFICATIONS & ACHIEVEMENTS

- **Oracle Cloud Infrastructure 2025 Certified Generative AI Professional** — Oracle — [Certificate](#)

- **AWS Academy Graduate** — AWS Academy

- **Codefeast 4.0 2025** — Programmer's Club, MHSSCE — [Certificate](#)

- **SmartSSD 2026 – International Paper Presentation** — International Conference on Smart Systems for Sustainable Development — [Certificate](#)

- **Path to Research Mastery Lecture Series** — CSI, MHSSCE Chapter — [Certificate](#)
